—The annex service between the Erie Depot, Jersey City, and Brooklyn, will be resumed on April 30, making connection with all the principal through and local trains East and West bound.

—The Salvation Army must have concluded by this time that Bloomfield is not in want of their services. Since their expulsion from the hall they have remained quiet, although they are still in town.

—Mr. Duffields' "Readings" for the Westminster Society will be given Tuesday evening, May 5th, instead of May 4th, as announced last week. There is a rumor that it is to be an *Author's Evening*.

—Peter Olsen, of Watessing, had his wife arrested a few days ago on a trifling charge, and when arraigned before Justice Hagaman it proved that the trouble was caused by Peter's intimacy with another woman. The complaint was dismissed.

—Daniel McCarthy was arrested on Tuesday night by Constable Harvey on a charge of assault and battery preferred by his wife on the previous Sunday. He was taken before Justice Hall, and, in default of bail, was committed to await the action of the Grand Jury.

—George Purdy, of Belleville, an employee of the Rubber Works, met with a painful accident on Saturday last, caused by a rubber hose which he was removing from a machine when it slipped, breaking his arm and seriously cutting his face. He was attended by Dr. Bailey.

—Eureka Lodge, K. of P., of this place attended the public parade in Paterson on Monday.

—Olive Branch Lodge, No. 51, I. O. O. F., gave an entertainment in the hall last evening with the assistance of the Arcadian Dramatic Association, an account of which will be given next week.

—Harry Mahoney and Helen Boyle were united in marriage by Rev. Father Nardiello at the Church of the Sacred Heart on Thursday morning at nine o'clock. After the ceremony the couple started for Newburg, N. Y., for a brief trip, after which they will live at Watessing.

—Pavonia Ferry, foot of 23d street, North river, to and from Jersey City every fifteen minutes. From 6:15 a.m. to 6:45 p.m., instead of every half hour, commencing April 13, 1885. Sundays, 5:45 a.m. to 10:15 p.m., every half-hour, connecting with various horse-car lines both in New York and Jersey City.

—The annual Lawn Party which has been held for several successive years on Decoration Day by the ladies of the M. E. Church, will be replaced this year by an indoor entertainment of the same nature at Library Hall. The various committees are already at work to make it the most pleasant of any of its predecessors.

—On Tuesday morning at nine o'clock Rev. Father Nardiello tied the nuptial knot in the lives of Peter Wade and Miss Maria Brady, daughter of Andrew Brady. The ceremony was performed at the Church of the Sacred Heart, after which the party repaired to the residence of the bride's parents and were served with a wedding breakfast.

—The new hotel is now being furnished by the proprietor. A full descriptive article about the building and its appointments will be given in the CITIZEN as soon as the house is opened. The name selected for the house is American House. The proprietor has had considerable experience in this business, and will undoubtedly keep a first-class hotel.

—The semi-annual meeting of the Westminster Society of Young People, was held in the church parlor on Monday evening, when the following officers were elected for the ensuing term: President, Oscar E. Michell; Vice-President, Henry L. Johnstone; Secretary, Miss Lillian B. Day and Treasurer, Frank H. Ward.

—A Jew peddler was selling his wares in the Sixth ward on Saturday, and when in a house exhibiting his goods, the lady was suddenly called to an adjoining room to care for a crying child, and thoughtlessly left her purse on the chair she had just vacated. When she returned a few moments later the peddler had gone, taking the purse with him.

—The death of a young man employed upon a canal boat, occurred on Wednesday morning. The purchase of whiskey upon the evening before, supplemented by a fall into the canal no doubt had something to do with the fatal result. He was seen steering his boat only a few hours before, and had complained of no illness. The County Physician was notified.

—John Finnan, of Belleville, and Miss Maggie Brooks, daughter of William Brooks, were married by Rev. Father Nardiello on Wednesday morning at nine o'clock. The ceremony was performed in the Church of the Sacred Heart in the presence of a few friends and relatives. After the ceremony a brief reception was held at the residence of the bride's parents.

—George Johnson, who has just passed his tenth birthday, has made himself popular as a natural artist in the past few weeks by painting signs and lettering. He has never had any practice in the art. His work equals that of many skilled artists. The lettering on Mr. Chew's window, as well as work on his father's store front, speak well for the youthful painter.

—The Children's fair at the lecture room of the German Presbyterian Church last night was a great success. Two handsome bouquets were voted to the pastor, J. M. Ensslin, and a rustic cross to Miss Anna Ensslin. They cleared, after all expenses paid, \$83, which goes to fix up the Sunday school room, which is in great need of repair. Great credit is due the committee who were, Miss Maggie Schaffenburg, Miss Mary Leu, Miss Bertha Leu, Miss Emma Welke.

—A canal boat on its way from Jersey City to Paterson stopped near Day's store at Brookdale on Tuesday night with a captain and driver on board. The latter demanded some whiskey, which was purchased by the captain. Soon after the intoxicated man fell into the canal, from which he was rescued by the captain. He afterwards fell into the coal box, where he was allowed to lie all night with the wet clothes on. The following morning he was dead. Overseer of Poor Walker was notified, who in turn notified the County Physician at 9 o'clock in the morning. He, however, did not arrive until 4:30 in the afternoon, during which time the body lay on the floor of the boat wrapped in the wet

clothes. After an examination he decided that death was caused by the effects of exposure and bad whiskey, which had brought on a congestive chill. The body was removed to Mullins' morgue in Newark.

—Mr. Charles G. Keyler, of this place, was married to Miss Nettie Howell, of Bloomfield Avenue, Newark, at the residence of the bride's parents, on Monday evening at 7 o'clock. The Rev. D. R. Lowrie, formerly of the Park M. E. Church, performing the ceremony. The only guests present were the immediate families of the bride and groom. After a short reception the happy couple took a train for New York and thence to Boston, Mass., returning yesterday. They have taken up their abode in Oakland avenue. Mr. Keyler and his bride have the best wishes of a large circle of friends for their future happiness and prosperity.

—If you throw a piece of wrought iron at a man it becomes cast iron. Manufacturers ought to be able to utilize this idea in some way.

Mr. Ragan's London Views.

In spite of bad weather there was a marked increase in the attendance at Library Hall on Tuesday evening. The subject was London, and Mr. Ragan's ability as a raconteur appeared to excellent advantage. He is genial and humorous without being either obtrusive or silly; and the audience were quick to appreciate any little quaintness in his manner of description. Mr. Ragan announced that it was probable he would give another evening under the auspices of parties in Bloomfield, and that this would take place on the 11th of May, if the arrangements are consummated.

The views of London given on Tuesday evening were well chosen, and were rendered all the more interesting by their association in many cases with incidents from the writings of Charles Dickens. Beginning with a map of the city, displayed as a general outline and then followed by an enlarged diagram of the centre of the city, Mr. Ragan took a tour through the streets and public and historical buildings, which was almost as satisfactory as a personal inspection. The Tower and Westminster Abbey were especially fine.

Thanks.

Bloomfield, April 29, 1885.

COMMERCE

FLOUR.

We will pay a reward of \$200.00 to any person who will produce testimonials equal to those we receive in relation to the high standard and uniform quality of any brand of flour now on the market that can be sold at as low price as the "COMMERCE."

Leading Statesmen, Lawyers, Physicians, Divines, Manufacturers and Bakers speak of it in the highest terms.

It is noticed and remarked that the "Commerce" Flour always has a rich creamy color and that it will produce more bread than the same quantity of ordinary flour.

Some dealers will take lots of time and use every argument to persuade you to buy some "so-called" high grade flour at a high price in order to get a big profit. Don't be persuaded, but save your money by buying the uniform, standard high grade, low priced "COMMERCE."

Be sure to get the GENUINE "COMMERCE" which is always branded as follows:—
